ABOUT ALVERNO HEIGHTS ACADEMY

Alverno Heights Academy is an independent, progressive Catholic school for girls and boys in grades TK-8 and a college preparatory school for girls in grades 9-12. Located on the property of the former Barlow Estate in Sierra Madre, California, Alverno Heights Academy was founded in 1960 by the Sisters of St. Francis who sought to create an environment in the San Gabriel Valley where students could become informed and knowledgeable persons. Later renamed Alverno High School and sponsored by the Immaculate Heart Community, Alverno's program—academic, spiritual, aesthetic, social, and physical—has been shaped by the staff, trustees, and students. Alverno Heights Academy Upper School is committed to its mission by encouraging each of their young women to *be who they imagine*.
